Exploring Jarice

A well-established day such as a wedding day people always chose a long-established brand to help enhance their special day, that is why people love Jarice.

Founded in 1947, Jarice is now into the third generation of skilled talent. With generations of striving trends and creative minds, Jarice is now well represented in all European countries and is growing each year about 50%.

The brand is know by satisfied brides as far as South America to East Asia. The Jarice team creates a memorable and passionate bridal look.

No matter the look or size of the dress a client will always be astonished by the pure beauty and confidence as they slip into their favourite Jarice wedding dress.

Jarice has sizes ranging from 30 up to size 60.

There is always an extra stock of dresses to meet client's requirements for quick delivery.

The collections are very wide and variable. The focus is on the bride who is looking for a unique, modern wedding dress in very good quality.

Jarice offers four collections for 2021:

Elegance

Color

Glamour

Pure.

Your bride will be fascinated while looking and feeling good in a dress designed by Jarice.
